### **Double Motor Vehicle Fatality in Multi-Car Collision**

**FRISCO, TX** – On this date at 4:35 p.m. Frisco police officers and fire personnel responded to US-380 between Preston Road and Dallas Tollway in response to a multi-car collision. A preliminary investigation into the collision by the Frisco Police Department's Traffic Unit has concluded that a gold passenger car was heading eastbound on US-380 when it lost control while crossing over a bridge, possibly due to icy conditions. The vehicle then spun into oncoming traffic. Two other vehicles that were heading westbound on US-380 collided with the gold passenger car.

Three passengers were in the gold passenger car. Two of the three passengers are deceased at this time, and a third (the driver) is in critical condition at a local hospital. Three other motorists from the other two vehicles have been transported by the Frisco Fire Department to area hospitals for non-life threatening injuries.

US-380 is currently closed and will remain closed for a few more hours while the investigation continues. Motorists are urged to find alternate routes, using Preston Road or Dallas Tollway to navigate around the site of the collision.

Additional information will be released when available.
